You Have Been Chosen to Be Blessed! John 5: 1-15

Opening prayer: Lord, please help me to maintain faith in Your deliverance, no matter what happens in my life. I know that faith makes things possible, but it doesn't have to make them easier. Then, teach me how to share that experience with others, so that, corporately, we can remain winners for You at Solid Rock, as individuals and as a body.

1. Like the man at the pool, where in my life could I be looking at the wrong source for deliverance? [He looked to the water (the pool) as his source of healing.]
2. When were there times that, had I been more proactive, it would have been of great benefit to me, my family, and friends, along with the entire church community?
3. How do I use my blessed situation to bless others who want to know the source of my blessings? Is sharing my blessing bragging or is it praising God? Explain.

Closing prayer: Father, how often the chatter of men, science and psychology has overridden the clarity of Your word and promises. As I grow closer to You and learn more of Your ways and Your desire to bless me, continuously develop in me a hunger for You and Your righteousness. Help my question marks of doubt become exclamation points of victory.
